Basic Industrial Sewing

AZSL is SEW excited to be back on track with our training programs. Our Summer/Fall sessions are off to a great start with Cohort 2 Basic Industrial sewing getting their start on 7/6 and running through 8/3. All seats were filled in just two short weeks and most seats were granted scholarships. Our next two classes are scheduled to start soon. Please don't let time fly by, it's first come, first served. As seats are filling up quickly. Please check out Tucson Courses and Events page for more details.
